FLOODING

When a flood warning comes

Work down the list. Fill in the blanks now, on a dry day.

0345 988 1188 **Floodline**
England, Scotland and Wales. 24 hours.

0300 2000 100 **Flooding in Northern Ireland**
One number for all of NI.

- [ ] 01 **Warning level checked**
  Alert: prepare. Warning: act now. Severe: danger to life.
- [ ] 02 **People and pets upstairs**
  With medicines, chargers and the grab bag.
- [ ] 03 **Documents in sealed bags**
  Then photos and anything you can't replace.
- [ ] 04 **Gas, electricity, water off**
  Only if safe. Never touch a switch standing in water.
- [ ] 05 **Flood boards and covers fitted**
  Doors and airbricks first, then sandbags.
- [ ] 06 **Kept out of floodwater**
  Just 30cm of moving water can float a car.
- [ ] 07 **Two neighbours checked on**
  Anyone who can't carry things upstairs.
- [ ] 08 **Ready to leave if told**
  Grab bag by the door. Do what the emergency services say.
- [ ] 09 **Damage photographed afterwards**
  Mark the water level. Insurer agrees repairs first.

Never drive through floodwater. Just 30cm of moving water can float a car. Turn around.
