NO FUEL

When fuel runs short

Work down the list when the queues start. Tick as you go.

- [ ] 01 **Tank filled as normal**
  Buy what you'd usually buy.
- [ ] 02 **One journey a day cut**
  Combine errands, share lifts, walk.
- [ ] 03 **Tyres at the right pressure**
  The figure is in the handbook.
- [ ] 04 **Roof rack off**
  It adds drag on every trip.
- [ ] 05 **Engine off when waiting**
  If you stop for more than a couple of minutes.
- [ ] 06 **Petrol stored within the law**
  GB: 30 litres. NI: two small cans.
- [ ] 07 **Cans in the garage or shed**
  Never in the house.
- [ ] 08 **Winter kit in the boot**
  Scraper, torch, boots, food, shovel.
- [ ] 09 **Lift share arranged**
  School runs, work, appointments.

Petrol never goes in the house. Garage or shed only. In GB, 30 litres at most.
