PHONES DOWN

When the phones are down

Work down the list when the signal goes. Tick as you go.

- [ ] 01 **999 tried, even with no bars**
  It uses any network it can find.
- [ ] 02 **Radio on, tuned to FM**
  Your local BBC station.
- [ ] 03 **Phone on low power mode**
  Leave it on for Emergency Alerts.
- [ ] 04 **Wi-Fi calling switched on**
  Works while the broadband is up.
- [ ] 05 **Numbers written on paper**
  Family, neighbours, GP, utilities.
- [ ] 06 **Meeting place agreed**
  Close to home, with shelter.
- [ ] 07 **Neighbours checked on**
  Anyone who lives alone first.
- [ ] 08 **Landline back-up asked for**
  Free if you rely on it.
- [ ] 09 **Fault reported to provider**
  Write down the date and time.

Need help? Call 999 anyway. It connects through any network in range.
