RURAL HOMES

Be ready in a rural home

Work down the list in autumn, before the storms. Tick as you go.

105 **Power cut**
Free, in Great Britain. NI: 03457 643 643.

999 **Emergency**
Connects through any network in range.

- [ ] 01 **Three days of water stored**
  More if your water is on a pump.
- [ ] 02 **Oil or LPG ordered early**
  Before the gauge nears the bottom.
- [ ] 03 **Battery or wind-up radio**
  For news when the phones are down.
- [ ] 04 **Carbon monoxide alarm fitted**
  In every room with a stove or boiler.
- [ ] 05 **Landline back-up asked for**
  If the mobile signal is poor.
- [ ] 06 **Winter kit in the car**
  Scraper, coat, torch, flask, shovel.
- [ ] 07 **Food for a week in**
  Roads can close for days.
- [ ] 08 **Network operator number saved**
  105 reaches it.
- [ ] 09 **Two neighbours to check on**
  And who checks on you.

Never run a generator indoors. Or in the garage, or by an open window.
