STORM

The day before a storm

Work down the list as soon as a warning is issued. Tick as you go.

105 **Power cut or fallen power lines**
Free, in Great Britain. NI: 03457 643 643.

999 **In trouble at the coast**
Ask for the Coastguard.

- [ ] 01 **Warning colour checked**
  Yellow: be aware. Amber: be prepared. Red: act now.
- [ ] 02 **Garden tied down**
  Bins, trampoline, chairs, ladders and toys.
- [ ] 03 **Doors and windows fastened**
  Garage doors and the side facing the wind first.
- [ ] 04 **Phones and power banks charged**
  And backup batteries for medical equipment.
- [ ] 05 **Torches out, 105 saved**
  Storms often cut the power.
- [ ] 06 **Car away from trees and walls**
  In the garage, if you have one.
- [ ] 07 **Journeys put off**
  Follow any Do Not Travel notice.
- [ ] 08 **Two neighbours checked on**
  Anyone who'd struggle in a power cut.
- [ ] 09 **Fallen cables left alone**
  Keep well back. Call 105, or 999 if dangerous.

Stay off the coast. If you can feel the spray, you're too close.
